

PAINING FLOWERS AND GARDENS IN WATERCOLOR - LOOSE, FRESH AND SIMPLE

This 5 week course focuses on capturing the essence and freshness of flowers and gardens in watercolor using a direct painting approach. Course will include demonstrations, instruction, reference materials, critique and supervised guidance of student painting. Students are encouraged to bring in a few live flowers to paint from if possible (photos are okay as a back up). Bring supplies and a single flower to first class. Suitable for beginning and intermediate students.
